

## Manufacturing, Laboratory & Projects

The list of Manufacturing and Laboratory machines, change parts, accessories, spare parts and project related items we specialize in, are mentioned below [click on the bullet header to go directly to that list]

1. [Manufacturing needs](#)
  - a) Machines & Change parts
  - b) Accessories
  - c) Spares
2. [Laboratory needs](#)
  - a) Equipment and spares
  - b) Media & Cultures
  - c) Working & Reference Standards
  - d) Impurities
3. [Project needs](#)
  - a) Doors (incl, Clean room)
  - b) Panels (incl, Clean room)
  - c) Epoxy
  - d) Others

Note: We are in the process of introducing multiple items in our portfolio and are confident of procuring the ones which do not find a presence here.

## 1. Manufacturing needs

Machines	Bottles: IBM Machine for HDPE bottles
	Bottles: ISBM Machines for PET bottles
	Caps: IM Machine for Caps
	Capsule Filling machines
	Generators
	OSD line: FBD
	OSD line: RMG
	OSD line: Vibro sifter
	OSD line: Multimill
	OSD line: Tablet Compression
	OSD line: Manual coater
	OSD line: Auto-coater
	OSD line: Blenders
	Packing machine: Blister
	Packing machine: Alu Alu
	Packing machine: Strip
	Vibro Sifter
Change parts	
Accessories	AHUs
	Air Dryer & Filters
	Chillers
	Control Panel
	Conveyors
	Cooling Towers
	Dosing system
	Electrical panels
	Exhaust Blower
	Heating Air Blower
	High Pressure & Low Pressure compressors
	Metal detectors
	Meters & Sensors
Motors	
Moulds	

# KMS Corporation

	Pallets - Stainless Steel & Plastic
	Printers and Cartridges
	Pumps
	Scroll Compressors
	Shrink tunnels
	Sparking Machine
	Spraying Gun
	Stainless Steel parts
	Others
Spares	Ballast
	Bearings and hinges
	Blister spare parts
	Capsules Filling machine spare parts
	Clamps
	Crates
	Crimping tool
	DG spare parts
	Electricals
	FBD spare parts
	Feeder Belts
	Feeder rollers
	Gaskets
	Gauges
	Glands
	Harnesses
	Lubricants
	Lugs
	Membranes
	Motors
	Pallets - SS & Plastic
	Relays
	Switches
	Thimbles
	Others

## 2. Laboratory needs

Equipment	Bursting strength tester
	Centrifuge
	Disintegration tester
	Dissolution tester
	Electronic Balance
	Friability test apparatus
	FTIR
	Hardness tester
	HPLC
	Humidity chamber
	KBr Press
	Magnetic Stirrer
	Melting Point apparatus
	pH meter
	Standard weight box
	Tap density tester
	UV chamber
	UV Spectrophotometer
	Vernier Caliper
	Meters and sensors
Others	
Equipment spares	
Media & Cultures	
Working Standards and Reference Standards	
Impurities	

### 3. Projects needs

We have executed and completed multiple plants and hence, can supply most project needs

Doors (incl, Clean room)

---

Panels (incl, Clean room)

---

Doors and Panels spares

---

PPGI sheets

---

Epoxy Raw materials

---

Epoxy application by technicians
